Dear Community Leader,

Tecumseh Gymnastics Academy is a recreational and competitive gymnastics program that offers classes to children ages 18 months to 18 years promoting physical, social, and psychological development for all gymnasts. Our focus is on the development of every child's unique ability. We know that children learn at their own pace and we strive to recognize all goals and successes no matter how big or small. We will provide a safe and fun learning environment for all children regardless of age or ability. Tecumseh Gymnastics Academy was officially developed in 2008 as an extension of the high school program at Tecumseh High School. Many of the coaches working at TGA are current and former TGA gymnasts themselves. TGA's purpose is to offer fun, safe, and affordable gymnastics for those looking to compete or just looking to be active and try something new.

Currently TGA provides gymnastics to more than 200 children and in an effort to keep up with the equipment needs, maintenance, and overall quality training for our children, we are asking for your help in the form of a sponsorship. In addition to a year round flow of families and gymnasts coming through the gym, we also host competitions, lock ins, camps, clinics, and more welcoming in gymnasts and spectators from all around.

### Donation of \$175.00

- Your company listed as a special event sponsor in our handout programs and announced at all home competitions
- Your company's logo on our website
- "Thank you to our sponsors" logo sign hung in the viewing area at our gym
